## PRODUCT NO.: 5825

## Capsule Machine, ProFiller 1100, Autoclave Kit, Size 00-4

**DESCRIPTION:** The autoclave kit replaces all the plastic parts with autoclave-safe parts to make the entire ProFiller 1100 autoclave safe. Spacer plates included with change parts are no longer needed to fill any size. The capsule locker is size-specific and must be purchased separately.

### FEATURES:

- ✔ Includes: Bottom plate (height adjustable), capsule locking plate, orienter base, powder tray and powder spreader
- ✔ All parts are made of hard anodized aluminum with Inox
- ✔ Autoclavable

### APPLICABLE PRODUCTS:

- ✔ 5823: Capsule Machine, Profiller 1100, Capsule Locker, Size 00
- ✔ 5824: Capsule Machine, Profiller 1100, Capsule Locker, Size 0
